MATCHLESS LIGHT ~ An Artist Journey

FaithActs held her inaugural charity art event on 17 March 2017 at 10 Square, to raise funds for “The Learning Hub” (an afterschool programme for children from the low-income family) and the Circuit Low Mobility (CLM) Exercise programme for frail seniors. We are thankful for all the artists and donors who made this event a successful and memorable one. A special mention to the 3 sponsors:

Country City Investment Pte Ltd, Godfather's Vineyards and The Helping Hand Group

Rakuma Yeow

Rakuma Yeow, now aged 11, joined FaithActs as a member when he was seven years old. He was diagnosed with ADHD and Dyslexia, his mother, who is a single parent, approached FaithActs to manage his behaviour. Due to his hyperactive nature, FaithActs staff are attentive to his well-being. The staff was patient with Rakuma whenever he had outbursts and learnt how to calm him.

Through Rakuma's active participation in our programmes and activities, he learnt to be more focused and better behaved.

Rakuma is a member of The Learning Hub, an after-school enrichment programme for primary school children. He was selected to join the art therapy session which turned out to be an enlightening experience for him as he discovered his talent in art.

Rakuma shows us how much we can achieve when we move out of our comfort zone.

From being an overactive child, Rakuma learnt to focus during the "Young at Art" sessions conducted on Saturday afternoons.
